

Limited Edition

100th Anniversary American Legion custom built telecaster style electric guitar being offered. The package includes custom embroidered shoulder strap, case, cord and guitar stand. This guitar has been evaluated by the Back to Rock School of Music in Penfield, NY by teacher Doug Zogby. Doug takes the guitar through its paces producing many different sounds. Videos on the build process and Doug Zogby's playing this instrument are available on the www.RaysonMillerPost899.org website.

Go to the NEWS article about the GUITAR and click on **READ MORE**

Not to mention beautiful Mother of Pearl inlay on the neck and pick guard!

A great addition for anyone who collects unique 'one of a kind' instruments! And it plays beautifully too!

Asking \$500 for complete package.
